

## President's Message – March 2022

Dear members, partners, and friends,

Happy March! As we enter the third month of the year, I wanted to give a brief update on the current state of the Chapter.

While we expect to stay flexible with our event programming, we plan to start in-person events in the Spring as long as risk levels allow us to safely connect. Our webinar series will continue as a virtual option for those that cannot make in-person events or are in other geographical locations.

Fresh off a productive kick-off meeting in February for our **Eco-Sustainability Initiative**, the committee is hard at work finalizing the programming for the next few months which will include an expert speaker series, micro-learnings, and focused training.

One of our top priorities this year is to focus on you and the value of Chapter membership. The leadership team is committed to investments of time and resources to advance the programs, content, and tools available to you. See below some of the open volunteer positions we have.

- VP of Membership
- Director of Professional Development Meetings
- Director of Partnerships
- Director of Education, Principles & Basics
- Committee Member – Marketing
- Committee Member – Membership
- Committee Member – Events
- Committee Member – Eco Sustainability
- Student Intern (various functions)

If you or someone you know might be interested in any of these positions (link to positions), please contact me directly at [president@sandiego.ascm.org](mailto:president@sandiego.ascm.org).

On behalf of the Board of Directors and Chapter team, stay safe and healthy.

**Homero Escandón**, CSCP-F, CPIM, CLTD-F, LSSMBB, PMP, CPDW, CSQP  
President, ASCM San Diego Chapter
